The Man

This booklet tells the story of John Main through letters, anecdotes, reminiscences by family, friends and colleagues. A collection of photographs adds a personal touch to this story. The booklet gives a new dimension to our understanding of the man, the monk, and his teaching. Fr Laurence Freeman, Fr John's spiritual successor, says: "It is important to see how John Main's pilgrimage and mission were fully inserted into his humanity. It is the authenticity of his life that in the final analysis teaches us."
